#### 3-in-1 DEODORIZING CLEANER

MAUI MIST is such an effective cleaner you won't believe it's a "green" product. Despite being completely free of the petroleum solvents and standard detergents (such as nonylphenols) found in other cleaners, completely biodegradable

### DIRECTIONS:

To remove and control organic odors, or to use as a light-medium duty deodorant cleaner for floors and hard surfaces: add 3 to 8 oz. of Maui Mist per gallon of water and apply directly and thoroughly to the odor source or area to be cleaned. For truly offensive odors, use up to full strength.

As an additive to mopping solutions and rug and upholstery shampoos: Add 2 to 8 oz of Maui Mist per gallon of mixed solution. Product will not diminish cleaning of shampoos, soaps, or detergents. As an air freshener and deodorizer for rooms, cars, etc.: Using a trigger sprayer, spray Maui Mist toward center of room or directly on area needing deodorizing.

CAUTION: In case of eye contact, flush with water for 15 minutes. If irritation develops, get medical attention. If ingested, drink plenty of water and get medical attention.
